

# **New Moon in June Star Party**

**June 26 – 29, 2014**

**Thursday, June 26, 2014 (All day) to Sunday, June 29, 2014**

**This star party is a Toronto Centre event and a chance to get an early start on the camping season under the pristine dark skies that Algonquin Park is famous for.**

**We have no agenda, guest speakers or activities planned except for observing on the beach. We do hope to have a communal campfire each evening for everyone to enjoy.**

**Making your reservation is easy. Just call the Ontario Parks Reservation line at 1-888-668-7275 or visit their website at [www.OntarioParks.com](http://www.OntarioParks.com).**

**Star parties are a great way to make new friends, talk astronomy, and enjoy the comradeship of others.**
